Administrative Conditions

1. UTILIZATION OF SMALL, MINORITY AND WOMEN'S BUSINESS ENTERPRISES

GENERAL COMPLIANCE, 40 CFR, Part 33

The recipient agrees to comply with the requirements of EPA's Program for Utilization of Small, Minority and Women's Business Enterprises (MBE/WBE) in procurement under assistance agreements, contained in 40 CFR, Part 33.

FAIR SHARE OBJECTIVES, 40 CFR, Part 33, Subpart D

A recipient must negotiate with the appropriate EPA award official, or his/her designee, fair share objectives for MBE and WBE participation in procurement under the financial assistance agreements.

Current Fair Share Objective/Goal

The dollar amount of this assistance agreement is \$250,000, or more; or the total dollar amount of all of the recipient's non-TAG assistance agreements from EPA in the current fiscal year is \$250,000, or more. The **New York State Department of Environmental Conservation** has negotiated the following, applicable MBE/WBE fair share objectives/goals with EPA as follows:

- for the New York Upstate Region MBE: Construction is 6%; Equipment, Supplies and Services are 8.8%.
- for the New York Upstate Region WBE: Construction is 6%; Equipment, Supplies and Services are 8.8%.
- for the New York City Region MBE: Construction is 21.5%; Equipment, Supplies and Services are 18.8%.
- for the New York City Region WBE: Construction is 13.7%; Equipment, Supplies and Services are 20.5%.

Negotiating Fair Share Objectives/Goals, 40 CFR, Section 33.404

If the recipient has not yet negotiated its MBE/WBE fair share objectives/goals, the recipient agrees to submit proposed MBE/WBE objectives/goals based on an availability analysis, or disparity study, of qualified MBEs and WBEs in their relevant geographic buying market for construction, services, supplies and equipment.

The recipient agrees to submit proposed fair share objectives/goals, together with the supporting availability analysis or disparity study, to the Regional MBE/WBE Coordinator within 120 days of its acceptance of the financial assistance award. EPA will respond to the proposed fair share objective/goals within 30 days of receiving the submission. If proposed fair share objective/goals are not received within the 120 day time frame, the recipient may not expend its EPA funds for procurements until the proposed fair share objective/goals are submitted.

SIX GOOD FAITH EFFORTS, 40 CFR, Part 33, Subpart C

Pursuant to 40 CFR, Section 33.301, the recipient agrees to make the following good faith efforts whenever procuring construction, equipment, services and supplies under an EPA financial assistance agreement, and to ensure that sub-recipients, loan recipients, and prime contractors also comply. Records documenting compliance with the six good faith efforts shall be retained:

- (a) Ensure DBEs are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For Indian Tribal, State and Local and Government recipients, this will include placing DBEs on solicitation lists and soliciting them whenever they are potential sources.
- (b) Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
- (c) Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and local Government recipients, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
- (d) Encourage contracting with a consortium of DBEs when a contract is too large for one of these firms to handle individually.
- (e) Use the services and assistance of the SBA and the Minority Business Development Agency of the Department of Commerce.
- (f) If the prime contractor awards subcontracts, require the prime contractor to take the steps in paragraphs (a) through (e) of this section.

MBE/WBE REPORTING, 40 CFR, Part 33, Sections 33.502 and 55.503

The recipient agrees to complete and submit EPA Form 5700-52A, "MBE/WBE Utilization Under Federal Grants, Cooperative Agreements and Interagency Agreements" beginning with the Federal fiscal year reporting period the recipient receives the award, and continuing until the project is completed. Only procurements with certified MBE/WBEs are counted toward a recipient's MBE/WBE accomplishments.

The reports must be submitted **annually** for the period ending September 30th for:

- 40 CFR Part 30 Recipients (Non-profits and Institutions of Higher Education); and/or
- 40 CFR Part 35 Subpart A and Subpart B Recipients.

The reports are due within 30 days of the end of the annual reporting period (October 30th). Reports should be sent to Michele Junker, the Region 2 DBE Coordinator. Final MBE/WBE reports must be submitted within 90 days after the project period of the grant ends. Your grant cannot be officially closed without all MBE/WBE reports.

Programmatic Conditions

1. RECIPIENT PERFORMANCE REPORTING AND EPA REVIEW

For State and Tribal program recipients under 40 C.F.R. Part 35, Subparts A and B, interim and final performance reports submitted by recipients under 40 C.F.R. §§ 35.115 and 35.515 (Evaluation of Performance) must adequately address progress in achieving agreed-upon outputs and outcomes. This includes ensuring that performance reports provide a satisfactory explanation of why outcomes or outputs were not achieved.

New York State Department of Environmental Conservation (NYSDEC) will comply with the requirements of 40 CFR 31.40 as set forth in the Memorandum of Understanding between the NYSDEC/Division of Water (DOW) and EPA regarding the Grants Review and Oversight Group (GROG) report. NYSDEC will provide to EPA Project Officer a semi-annual GROG progress report by October 31, 2012 and a final GROG progress report by April 30, 2013. NYSDEC will provide a final performance report within 90 days of the project period end date.

2. QUALITY ASSURANCE

Quality Management Plan (QMP)

The NYSDEC Division of Water Quality Assurance Management Plan was approved for the period April 1, 2012 through March 31, 2014.

3. 319h NON-POINT SOURCE PROGRAM

In accordance with the provisions of the Clean Water Act Section 319(h)(8) and the "Nonpoint Source Program and Grant Guidelines for States and Territories" as published in the *Federal Register*, EPA Region 2 has determined that NYSDEC has made satisfactory progress in meeting the schedule of milestones as delineated in the State's Nonpoint Management Program and the State's annual workplan. This determination was based on the review of the State's Nonpoint Source Reports, data input into the Grants Reporting and Tracking System (GRTS), status reports on annual work plans and additional documents submitted in regards to the Section 319 Nonpoint Source Program. Award of future nonpoint source management funds is contingent upon the availability of funds and continued satisfactory progress in the schedule of established milestones.

MATCHING SHARE

This Performance Partnership Grant (PPG) award and the resulting federal funding share, 54.71% as shown under "Notice of Award" above, is based on estimated costs requested in the Recipient's application. While actual total expenditures may differ from those estimates, the Recipient shall not provide less than the sum of the minimum non-federal cost share required under each of the environmental programs combined in this PPG. In accordance with the CWA 319(h) program statutory requirements, the Recipient shall provide no less than a 40% non-federal cost share and shall maintain its aggregate expenditures from all other sources for programs for controlling nonpoint pollution and improving the quality of the State Recipient's waters at or above the average level of such expenditures in Fiscal Years 1985 and 1986. In accordance with the CWA 106 program statutory requirements, the State Recipient must expend annually for recurrent CWA 106 program expenditures an amount of non-federal funds at least equal to expenditures during the fiscal year ending June 30, 1971. Under this PPG, the Recipient's non-federal cost share of final program expenditures must equal or exceed \$8,090,569, which represents the sum of (1) the CWA 319(h) required non-federal cost share, based on the total amount of federal funds awarded, plus (2) the CWA 106 required non-federal cost share. EPA's participation under this PPG shall not exceed the total amount of federal funds awarded.

4. EQUIPMENT CONDITION

For any items costing \$5,000 or more, a justification as to the need for purchasing the equipment is to be provided to the EPA project officer within 30 days of receipt of award. The EPA project officer must provide written approval for the planned purchase before such costs can properly be charged to the grant.

5. COMPUTER EQUIPMENT PURCHASES

The recipient shall obtain approval by the EPA, Region 2 Information Resources Branch, prior to the purchase of computer equipment, computer services, or digital data with a unit price of \$5,000 or more.

6. PRE-AWARD COSTS

In accordance with the 40 CFR Section 35.113, Reimbursement for pre-award costs, EPA may reimburse recipients for pre-award costs incurred from the beginning of the funding period established in the grant agreement, April 1, 2012, if such costs had been allowed if incurred after the award and the recipients submitted complete grant applications before the beginning of the budget period. Such costs must be identified in the grant application EPA approves. The applicant incurs pre-award costs at its own risk. EPA is under no obligation to reimburse such costs unless they are included in an approved award.

7. EPA INVOLVEMENT

EPA will have significant involvement with the recipient in the form of programmatic oversight, and review and comment of all agreement activities and products, as identified under Components #1 through #8 in the workplan.

8. FOOD AND REFRESHMENTS

Unless the event(s) and all of its components (i.e., receptions, banquets and other activities that take place after normal business hours) are described in the approved workplan, the recipient agrees to obtain prior approval from EPA for the use of grant funds for light refreshments and/or meals served at meetings, conferences, training workshops, and outreach activities (events). The recipient must send requests for approval to the EPA Project Officer and include:

- (1) An estimated budget and description for the light refreshments, meals, and/or beverages to be served at the event(s);
- (2) A description of the purpose, agenda, location, length and timing for the event.
- (3) An estimated number of participants in the event and a description of their roles.

Recipients may address questions about whether costs for light refreshments, and meals for events are allowable to the recipient's EPA Project Officer. However, the Agency Award Official or Grant Management Officer will make final determinations on allowability. Agency policy prohibits the use of EPA funds for receptions, banquets and similar activities that take place after normal business hours unless the recipient has provided a justification that has been expressly approved by EPA's Award Official or Grants Management Officer.

Note: U.S. General Services Administration regulations define light refreshments for morning, afternoon or evening breaks to include, but not be limited to, coffee, tea, milk, juice, soft drinks, donuts, bagels, fruit, pretzels, cookies, chips, or muffins. (41 CFR 301-74.11)

9. SUFFICIENT PROGRESS

EPA may terminate the assistance agreement for failure of the recipient to make sufficient progress so as to reasonably ensure completion of the project within the project period,

including any extensions. EPA will measure sufficient progress by examining the performance required under the workplan in conjunction with the milestone schedule, the time remaining for performance within the project period, and/or the availability of funds necessary to complete the project.
